

Using the phone booth ,
Making a few calls
Looking so wealthy
Using the booth walls
Got me a big date
Doodlin' my beat.

Putting the face on so she could look sleek
I enjoy precrestinating, wish to
When I'm busy waiting, doodlin' away
Sitting in dining , dinner begining
Starting desining using the
Line up.

Dining withdrawing, talking to my date
He is so dirty, told me to loose weight
Told him to take on me easy,
Can't you see I'm very busy-
Doodlin' away, doodlin' away,
Doodlin' away, doodlin' away.
