

# My One And Only Love

Kasia Kowalska

The very thought of you  
Makes my heart sing  
Like an April breeze  
On the wings of spring  
And you appear in all your splendor  
My one and only love.

The shadow's fall and spread their  
Mystique charms  
In the hush of night while he'll in my arms  
I feel your lips so warm and tender  
My one and only love.

The touch of your hand is like heaven  
A heaven that I've never know  
The blush on your cheek  
Whenever I speak  
Tells me that you're own my own.

You fill my eager heart with  
Such desire  
Every kiss you give  
Sets my soul on fire  
I give myself in sweat surrender  
My one and only love.

The touch of your hand is like heaven  
A heaven that I've never know  
The blush on your cheek  
Whenever I speak  
Tells me that you're own my own.

You fill my eager heat with  
Such desire  
Every kiss you give  
Sets my soul on fire  
I give myself in sweat surrender  
My one and only love.
