

People Pleaser

Kate Miller-Heidke

Don't be so hard on yourself
Don't be so hard on yourself
Don't be so hard on yourself
We are who we are
Don't be so hard on yourself
Don't be so hard on yourself
Don't be so hard on yourself

Don't be so rough with yourself
Hiding from everyone else
Learn to take care of yourself
We are who we are
You've got to live with yourself
So don't keep doubting yourself
Don't be so rough with yourself

Angels of my better nature, I believe in you
Flutter up upon my shoulder, tell me what to do

I can't be a people pleaser anymore
I can't be a people pleaser anymore
I am not an automaton
I've got my own thoughts and dreams
I can't be a people pleaser anymore
Nu-uh, nuh-uh no
Nu-uh, nuh-uh no

Don't just abandon yourself
Don't just abandon yourself
Don't just abandon yourself
We are who we are
Don't just abandon yourself
Don't just abandon yourself
Don't just abandon yourself

You know you're killing yourself
You know you're killing yourself
You know you're killing yourself
We are who we are
Don't just abandon yourself
Don't just abandon yourself
Don't just abandon yourself

Angels of my better nature, I believe in you
(Angels of my better nature, I believe in, I believe in you)
Flutter up upon my shoulder, tell me what to do
(Flutter up upon my shoulder, tell me what to, tell me what to do)

I can't be a people pleaser anymore (nu-uh, nuh-uh no)
I can't be a people pleaser anymore (nu-uh, nuh-uh no)
I am not an automaton
I've got my own thoughts and dreams
I can't be a people pleaser anymore
Nu-uh nuh-uh no
Nu-uh nuh-uh no

I can't be a people pleaser anymore

I can't be a people pleaser anymore
I am not an automaton
I've got my own thoughts and dreams
I can't be a people pleaser
I can't be a people pleaser anymore
Nu-uh nuh-uh no
Nu-uh nuh-uh no
