

Our Town

Kate Rusby

Up the street beside the red neon light
That's where I met my baby on a hot summers night
He was the tender and I ordered a beer
It's been forty years and I'm still sat here.

Can't you see the sun's sinking fast
And just like they say, nothing good ever lasts
Well, go on then and kiss it goodbye
But hold on to your lover 'cause your heart's gonna die.
Go on now and say goodbye to our town, to our town
Can't you see the sun's going down on our town, on our town
Goodnight.

It's where I met my baby and I had my first kiss
I've walked up Main street in the cold morning mist
Over there is where I bought my first car
I turned it over once now it won't go far.

Can't you see the sun's sinking fast
And just like they say, nothing good ever lasts
Well, go on then and kiss it goodbye
But hold on to your lover 'cause your heart's gonna die.
Go on now and say goodbye to our town, to our town
Can't you see the sun's going down on our town, on our town
Goodnight.

Sat here on the poarch I see the lightning bugs fly
I can't see too well for the tears in my eyes
I leave tomorrow and I don't want to go
Oh I love you my town you'll always live in my soul.

I can see the sun's sinking fast
And just like you've said, nothing good ever lasts
Well, go on I've got to kiss you goodbye
But I'll hold to my lover 'cause my heart's gonna die.
Go on then and say goodbye to my town, to my town
Can't you see the sun's going down on my town, on my town
I can see the sun's sinking fast
And just like you've said, nothing good ever lasts
Well, go on I've got to kiss you goodbye
But I'll hold to my lover 'cause my heart's just died.
Go on then and say goodbye to my town, to my town
I can see the sun's gone down on my town, on my town
Goodnight.
