

Only Fooling Myself

Kate Voegele

VERSE 1:

G Am C
I stop to catch my breath
G Am C
And I stop to catch your eye
G Am C
No need to second-guess
G Am C
That you've been on my mind
G Am C
I dream days away, but that's okay
G Am C
It's like I want to hear a silent sound
G Am C
And then hold it in my hand
G Am C
But a rose won't blossom from a ground
D D
Of desert sand, but I like to pretend that

CHORUS:

G D
One day I'll turn around
Em C
I'll see your hand reach out
G D
Im only fooling myself, oh
Em C G D Em
But maybe when you smile
C
It means you'll stay awhile
G D Em C
Just maybe you'll save me now
G Am C G Am C

VERSE 2:

G Am C
Well, now it's etched in stone
G Am
That I can't survive alone
C G Am C
You have the missing piece
G Am C
That I need so desperately
G Am C
Yes, I slip away to a day that'll never come
G Am
It's like a splash of water to my face
C
When I suddenly realize
G Am C G
That you could never
C
find a place
D
For me in your eyes
D

And I don't know why I keep thinking

CHORUS:

G **D**
One day I'll turn around
Em **C**
I'll see your hand reach out
G **D**
Im only fooling myself, oh
Em C G **D Em**
But maybe when you smile
C
It means you'll stay awhile
G **D Em C**
Just maybe you'll save me now
G Am C G Am C

BRIDGE:

Em D A C
It's love in disguise
Em D A C
I'm lost in your eyes
C
I'm lost in your eyes

CHORUS:

G **D**
One day I'll turn around
Em **C**
I'll see your hand reach out
G **D**
Im only fooling myself, oh
Em C G **D Em**
But maybe when you smile
C
It means you'll stay awhile
G **D Em C**
Just maybe you'll save me now
G Am C G Am C

G Am C
Oh, save me now
G Am C
Yea, save me now...
