

Don't Break My Heart

Kate Walsh

Don't you be saying that I'm lucky
Don't you no no don't you dare say it's ok
Don't come around being happy
Don't you be crying without me
Cause I'll fall again
If I see your face again my love
And I've done all my crying for you love

So don't break my heart again
Don't break my heart again
Cause if I see your face again
You'll break my heart again

So don't you go rolling them blue eyes
Don't you go pissing on my fire
Down to the bed where we laid
Down to the park where we saved ourselves
I cannot be in matrimony with a dream of love
Like on this silver screens my love

So don't break my heart again
Don't break my heart again
Don't break my heart again
Don't break my heart again
Cause if I see your face again
You'll break my heart
You'll break my heart
You'll break my heart again
