

French Song

Kate Walsh

I'll sit here and watch you
I'll, I'll just sit back and watch you
Don't wait for love won't wait for you
Just speak so softly I'll break down

Won't you be the one, won't you be the one, won't you be the one
that I'm waiting for

So I, I just sit back and wait for you
I, I just sit back and wait for you
Don't be no fool when your heart beats
Won't you open my arms, won't you wake me

Won't you be the one, won't you be the one, won't you be the one
that I'm waiting for, oooh

Oh, won't you just keep watching me
Oh, won't you just keep watching me
Oh, won't you just keep watching me

Dadadam, dadadadadam
Dadadam, dadadadadam
Ladadam, ladadadadam
ladam
