

Star

Kate Walsh

Safe driving to Mars, safe driving to Venus
My past don't mean anything to me
Pray, twinkle again
Pray, and I don't wish on you to hard
'Cause clovers don't care about me

And I can't afford to lose you, star
Oh, I can't afford to lose you

I sit here again, smoke bubbles blown only in threes
I can't rely upon that
So pray, twinkle again
Pray, and I don't wish on you to hard
'Cause I miss your dance with the moon

And I can't afford to lose you, star
Oh, I can't afford to lose you
I can't afford to lose you, star
I can't afford to lose you

Hey mister magpie
You're staying at your welcome
Hey mister machine
Your walls keep falling down

I can't afford to lose you, star
No, I can't afford to lose you
Oh, I can't afford to lose you, star
I can't afford to lose you
