

## Brand New Key

Katharine McPhee

I rode my bicycle past your window last night  
I roller skated to your door at daylight  
It almost seems like you're avoiding me  
I'm okay alone but you've got something I need

Well, I've got a brand new pair of roller skates  
You got a brand new key  
I think that we should get together  
And try them on to see

I've been lookin' around awhile  
You've got something for me  
Well, I've got a brand new pair of roller skates  
You got a brand new key

I ride my bike, I roller skate, don't drive no car  
Don't go so fast but I go pretty far  
For somebody who don't drive, I've been all around the world  
Some people say I've done alright for a girl

I asked your mother if you were at home  
She said yes but that you weren't alone  
It almost seems like you're avoiding me  
I'm okay alone but you've got something I need

Well, I've got a brand new pair of roller skates  
You got a brand new key  
I think that we should get together  
And try them on to see

Well, I got a brand new pair of roller skates  
You've got a brand new key
