

I'll Be Seeing You

Katharine McPhee

I'll be seeing you
In all the old familiar places
That this heart of mine embraces
All day and through

In that small cafe
The park across the way
The children's carousel
The chestnut trees, the wishing well

I'll be seeing you
In every lovely summer's day
In everything that's light and gay
I'll always think of you that way

I'll find you in the morning sun
And when the night is new
I'll be looking at the moon
But I'll be seeing you

Where has the time all gone to?
Haven't done half the things we want to
Oh, well, we'll catch up some other time
Some other time

This day was just a token
Too many words are still unspoken
Oh, well, we'll catch up some other time

Just when the fun is starting
Comes the time for parting
But let's be glad for what we had and what's to come

There's so much more embracing
Still to be had, but time is racing
Oh, well, we'll catch up some other time
Some other time
