

# It's Not Christmas Without You

Katharine McPhee

The year's almost over  
It sure looks like December  
With snow and ice on the ground

I haven't send  
A single Christmas card  
The 31st is comin' 'round

That makes me remember  
Our last December  
How the city looked  
So beautiful in white

As we walked the streets  
That day you kept me warm  
We couldn't wait to get inside

Now it's Christmas  
And you're so far away  
On this Christmas  
I just wished you had stayed  
And I wonder if you're  
Thinking of me today

I don't know what I'll do  
It's not Christmas without you  
Yeah, you

I hear carolers in the distance  
Don't wanna listen  
'Cause every sound says  
You're not here

Just in case you change your mind  
I'll leave a light over the door  
And hope you suddenly appear

'Cause it's Christmas  
And you're so far away  
On this Christmas  
I just wished you had stayed  
And I wonder if you're  
Thinking of me today, yeah

I don't know what I'll do  
It's not Christmas without you

I'm too old to believe in Santa Claus  
Or to even ..

..

Or maybe its a dream  
Or has he really brought you back to me

It's Christmas  
All I wanted this year  
On this Christmas  
Was for you to be near

I won't wonder  
If you're thinking of me  
'Cause you're here

My one wish has come true  
It's no longer Christmas without you
