

## Candy Says

Kathryn Williams

Candy says I've come to hate my body  
And all that it requires in this world  
Candy says I'd like to know completely  
What others so discretely talk about

Candy says I hate the quiet places  
That cause the smallest taste of what will be  
Candy says I hate the big decisions  
That cause endless revisions in my mind

I'm gonna watch the blue birds fly over my shoulder  
I'm gonna watch them pass me by  
Maybe when I'm older  
What do you think I'd see  
If I could walk away from me
