How Can We Hang On To A Dream

Kathryn Williams

What can I say, he's walking away From what we've seen What can I do, still loving you It's all a dream

How can we hang on to a dream How can it ever be the way it seems

What can I do, he's saying we're through With how it was
What will I try, I still don't see why
He says what he does

How can we hang on to a dream How can it ever be the way it seems

What can I say, she's walking away From what we've seen What can I do, still loving you It's all a dream

How can we hang on to a dream
How can it ever be the way it seems
How can we hang on to a dream

What can I say, she's walking away From what we've seen What can I do, still loving you It's all a dream

How can we hang on to a dream

How can it will it be the way it seems

How can we hang on to a dream
