

## Spit On A Stranger

Kathryn Williams

However you feel, whatever it takes  
Whenever it's real, whatever awaits  
Whatever you need, however so slight  
Whenever it's real, whenever it's right

I'll be thinking long and hard  
About the things you said to me  
Like a bitter stranger  
Now I see the long and short  
And never ever what's in between

I could spit on a stranger  
You're a bitter stranger

Whatever you feel, whatever it takes  
Whenever it's real, whatever awaits me  
Whatever you need, however so slight  
Wherever it leads, whenever it's right

Honey, I'm a prize and you're a catch  
And we're a perfect match  
Like two bitter strangers  
And now I see the long and short of it  
And I could make it last

I could spit on a stranger  
You're a bitter stranger  
Well, I could spit on a stranger  
You're a bitter stranger

I see the sunshine in your eyes  
I'll try the things you'll never try  
I'll be the one that leaves you high
