

At Your Mercy

Kathy Troccoli

Here I am again, I've failed You, Father, I have sinned
I'm sad to see how very weak that I can be
Being made of flesh and blood, I know I grieve Your heart
So much, I'm overwhelmed that You still care for me

And I don't want to wander from the truth
Oh God, why do I do the things I do?

Grace rain on me
Love surround me
Life restore me
Lord, forgive me

Peace flow through me
Hope come to me
Faith embrace me
Lord, I'm at Your mercy
(Mercy)

It only takes a moment's time
For me to somehow cross a line
Where I can wind up roaming in the dark
Satan is a liar, I know he can start a fire
Then go tearing everything I have apart

And there's nothing that can take your love away
Oh dear Lord, all that I know to do is pray

Grace rain on me
Love surround me
Life restore me
Lord, forgive me

Peace flow through me
Hope come to me
Faith embrace me
Lord, I'm at Your mercy
(Mercy)

Morning by morning
New mercies I see
Great is Your faithfulness
Lord, unto me

Grace rain on me
Love surround me
Life restore me
Lord, forgive me

Peace flow through me
Hope come to me
Faith embrace me
Lord, I'm at Your mercy
(Mercy)

I'm at Your mercy
(Mercy)

Forgive me
I'm at Your mercy
(Mercy)
