

## When I Look At You

Kathy Troccoli

Lord, when I look at You  
My tears just melt away  
A peace comes over me  
And I don't feel afraid

Lord, when You look at me  
I know I'm not alone  
My spirit soars above the pain  
My heart has known

Hold me, don't let me go  
I need You with all my soul  
There is nothing I will face  
Without the grace to see me through  
When I look at You

Lord, when I look at You  
The world becomes so small  
The burdens that I carry  
I can let them fall

And when You look at me  
I know that I am safe  
You're closer than my very breath  
And help me pray

Hold me, don't let me go  
I need You with all my soul  
There is nothing I will face  
Without the grace to see me through

When I look at You  
When I look at You  
When You look at me  
When I look at You
