

# Lead Me Right

Katie Costello

Riding the Sunday tide  
Feeling the heavy sigh  
Of another week past  
Without a photo to keep  
My memories bleed to ink  
And I'm feeling like a ghost

And I'm not going to wake up now  
I'm not going to wake up now  
I don't want to give up now  
I don't need to give up now  
I know my dreaming will always lead me right

And I've got nothing to show  
For all the days gone so slow  
My dreams are feeling far away  
Drinking in the light  
Pouring through the sky  
I'm holding on to what feels right

And I'm not going to wake up now  
I'm not going to wake up now  
I don't want to give up now  
I don't need to give up now  
I know my dreaming will always lead me right  
And I'm not going to wake up now  
I'm not going to wake up now  
I don't want to give up now  
I don't need to give up now  
I see where my heart was leading me all along

I'll trust you  
Follow your every beat  
No you've never led me  
No you've never led me  
Away from the things I've tried to keep

I'm not going to wake up now  
I'm not going to wake up now  
I don't want to give up now  
I don't need to give up now  
I know my dreaming will always lead me right  
I'm not going to wake up now  
I'm not going to wake up now  
I don't want to give up now  
I don't need to give up now  
I see where my heart was leading me all along
