

Rose Colored Glasses

Katie Costello

You say my head's in the clouds
But I don't know which way is down
You say I'm swimming with sharks
But I'm riding waves in the dark
The blood on your shirt look like wine
So I didn't give it my time
When you took my heart from my chest
I thought you were borrowing it

When I see soldiers, I see them dancing
When I hear thunder, I hear it laughing
When I see, when I see, when I see
The world through my

Rose-colored glasses
Ooh, I'm taking my chances
Rose-colored glasses
Ooh, I'm taking my chances

I like to live in a dream
'Cause reality's not what it seems
Just 'cause I see the bright side
Doesn't mean that I've never cried

When I see shadows, colors are casting
When I feel nothing, I know it's passing
When I see, when I see, when I see
The world through my

Rose-colored glasses
Ooh, I'm taking my chances
Rose-colored glasses
Ooh, I'm taking my chances

Rose-colored glasses
Oh, I'm taking my chances
Oh, Rose-colored glasses
Oh, I'm taking my chances

Rose-colored glasses
Ooh, I'm taking my chances
Rose-colored glasses
Ooh, I'm taking my chances
Rose-colored glasses
Ooh, I'm taking my chances
Rose-colored glasses
Ooh, I'm taking my chances
