

# Cry for Me

Katrina and the Waves

Gonna sing you a sad, sad song  
About when your baby done you wrong  
And if you're feelin' sad and blue  
I'm gonna sing this song for you

If you're lookin' for a shoulder you can cry on  
You got it, you got it, mine for free  
You can cry, you can cry on my shoulder, oh yeah  
You can cry, you can cry, cry to me

And if your baby just a mean ol' mistreater  
And you need a little love and sympathy  
You can cry, you can cry on my shoulder, oh yeah  
So come on baby, you can cry, cry to me, yeah...

So if you're down and you're feelin' sad and lonely  
Yes I know we can make a sweet harmony  
You can cry, you can cry on my shoulder, oh yeah  
You can cry, you can cry, cry to me...

I don't wanna see you  
I don't wanna see you sad and lonely baby  
Come on, cry to me, yeah  
And just a little bit longer  
And just a little bit longer  
Cry, cry, cry, cry, cry to me, yeah  
...
