## **Sun Street**

## Katrina and the Waves

It picks me up, puts me down again I never know when my troubles will end This little street with it's den of sin Where I see all my fair-weather friends

And it's good when I'm a little high And it's good, my glass is never dry And it's good when everything is spinning Now I feel like I'm finally winning

Na na na na, na na na na na na We're all living on Sun Street Na na na na, na na na na na We're all living on Sun Street, yay

It makes me blue, but keeps me coming round Life is cheap, a smile is free Before the dust on the window pane It's hard to see Sun Street's not for me

But it's good when I'm a little high And it's good, my glass is never dry And it's good when everything is spinning Now I feel like I'm finally winning

Na na na na, na na na na na na We're all living on Sun Street Na na na na, na na na na na We're all living on Sun Street

But it's good when I'm a little high And it's good, my glass is never dry And it's good when everything is spinning Now I feel like I'm finally winning

Na na na na, na na na na na na We're all living on Sun Street Na na na na, na na na na na We're all living on Sun Street

Na na na na, na na na na na na We're all living on Sun Street Na na na na, na na na na na We're all living on Sun Street

Everybody - Na We're all living on Sun Street
Na We're all living on Sun Street
