Today is gonna be the day that they're gonna throw it back to y ou

By now you shold somehow realized what you're not to do I don't believe that anybody feels the way I do about you now

Back beat, the word is on the street that the fire in you heart is out

I'm sure you've heard it all beforee but you never really had a doubt

I don't believe that anybody feels the way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
But I don't know how
No, I don't know how
Because maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

Today was gonna be the day but they never trow it back to you By now you should somehow realized what you're not to do I don't believe that anybody feels the way I do about you now

And all the roads that lead you there were winding And all the lights that light the way are blinding There are many things that I would like to say to you But I don't know how

No, I don't know how

I said maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

I said maybe
You're gonna be the one that saves me
And after all
You're my wonderwall
You're my wonderwall
