

# Release It

Kavana

Yeah ask me no questions I'll tell you no lies...  
Yeah yeah hey release me now...  
Yeah release me now... ooh...

Ask me no questions I'll tell you no lies  
I honestly thought you knew  
You tell me I'm faking most of the time  
Baby you've found the truth...

We break every rule  
So why do you chose to be serious?  
(I think it's time you played my way)  
I'm talking in rhymes  
You're making me feel so delirious...  
(let it out)

Can you release it, baby go with the flow,  
Release it, cos I know what you know,  
Can you release it, what you're feeling inside,  
Release it, cos there's nothing to hide...

You talk like tomorrow is light years away,  
You constantly play it safe,  
When you get affection you have it your way,  
Why can't you sit and wait?

We break every rule,  
So why do you chose to be serious?  
(I think it's time you played my way)  
I'm talking in rhymes,  
You're making me feel so delirious...  
(let it out)

Can you release it, baby go with the flow,  
Release it, cos I know what you know,  
Can you release it, what you're feeling inside,  
Release it, cos there's nothing to hide...

Girl, can you release it?  
Yeah, yeah... oh, oh... can you release the love inside of  
Yourself?  
Let it out...  
Can you release the love inside?  
Can you release the love inside of yourself?  
Let it out...  
Can you release the love inside?

Can you release it, baby go with the flow,  
Release it, cos I know what you know,  
Can you release it, what you're feeling inside,  
Release it, cos there's nothing to hide...
