

## 2 the Music

Kaytranada

Did you know that there's a party going on today?  
Hoping I and you could dance the night away  
But you're hiding, you don't have to be afraid  
Come with me and trust you'll be alright

Won't you stop and listen to the music?  
To the music  
I just wanna vibe a little  
To the music

There will always be a time to celebrate today  
Liberate my need to complicate (Ooh, na-na-na-na-na)  
There's no need for you to hesitate today  
Go ahead and take a leap of faith, a leap of faith

Won't you stop and listen to the music?  
To the music  
I just wanna vibe a little  
To the music  
Won't you stop and listen to the music?  
I just wanna vibe a little
