

# Always & Forever

KB

I can't imagine no one else right here with me  
You got the magic potion scent all over me  
Girl we got something special, take me to my knees  
When I see you, when I see you  
Oh, boy, it ain't nothin', nothin'  
Tell me what you want babe, want babe  
It's on me  
Oh, boy, it ain't nothin', nothin', it ain't nothin'  
I put that on me (I put that on me)  
I put that on me (I put that on me)  
Forever

To my summertime fine  
Sublime mind, you're fine wine  
Kind eye, shine wild, let me drive by  
My kind, my, my  
Defy time, I'd die fine, know you're on my side  
You're here with me  
And as long as I live  
You got both eye lenses, got 25 kids (I'm joking)  
But I love the way you mother's the dopest  
No hocus pocus, a lot of focus to people who want it  
Now, spark the romance, got my heart on demand  
I pull over, let's park and slow dance  
How far, let's advance  
How the voice hit the fan  
I leave you when the Lord leaves your man  
That's...

[Hook:]  
Always  
Always and forever  
Don't hold back, don't hold back  
Always  
Always and forever  
Don't let go, don't let go  
I say, don't let go, don't let go  
Don't let go, don't let go  
I say, don't let go, don't let go  
Don't let go, don't let go

I don't know what tomorrow holds  
But I know who holds tomorrow  
I wanna be with you forever  
But I know this marriage is borrowed  
I'mma give it back, give it back  
Remember that I presented that  
At the throne that He be sittin' at  
Only little acts and the grand drama divine  
Let the world all see how He loves His bride  
Listen, bad girls ain't no good  
And the good girls ain't no fun  
Girl, you ain't either the one  
Your identity is soaked in the sun

I can't imagine no one else right here with me  
You got the magic potion scent all over me

Girl we got something special, take me to my knees  
When I see you, when I see you  
Let me love you

[Hook:]  
Always  
Always and forever  
Don't hold back, don't hold back  
Always  
Always and forever  
Don't let go, don't let go  
I say, don't let go, don't let go  
Don't let go, don't let go  
I say, don't let go, don't let go  
Don't let go, don't let go

Why don't you come with me?  
Forever, 'till the end of time  
Why don't you come with me?  
Forever, you'll be mine

[Hook x2:]  
Always  
Always and forever  
Don't hold back, don't hold back  
Always  
Always and forever  
Don't let go, don't let go  
I say, don't let go, don't let go  
Don't let go, don't let go  
I say, don't let go, don't let go  
Don't let go, don't let go

Say, don't let go, don't let go  
Don't let go, don't let go  
Say, don't let go, don't let go  
Always and forever, ever  
Forever, ever?  
Forever, ever  
Always and forever, ever

[Hook:]  
Always  
Always and forever  
Don't hold back, don't hold back  
Always  
Always and forever  
Don't let go, don't let go  
I say, don't let go, don't let go  
Don't let go, don't let go  
I say, don't let go, don't let go  
Don't let go, don't let go

I can't imagine no one else right here with me  
You got the magic potion scent all over me  
Girl we got something special, take me to my knees  
When I see you, when I see you  
Let me love you
