KB

Darling, you're a masterpiece  
Breathing melodies  
There's nothing that you have to be  
You're a masterpiece  
I'm lookin' at a masterpiece  
Before you even try, there's nothing to decide  
Just know in every scar life leaves  
It's working on a masterpiece

You're too dark, too short, too tall  
You're not enough, not enough, go and change it all  
On and on it goes, girl, don't keep up  
Just say goodbye, waste your life tryna be a ten  
That ten ain't worth a dime  
When you're lost let me be your guide  
Play my songs, see who you are through your father's eyes  
And when you fall, baby, come to me  
Whatever you become, I'll always be in love

'Cause, baby, you're a masterpiece  
You breathing melodies  
There's nothing that you have to be  
Already, you're a masterpiece  
I'm lookin' at a masterpiece  
Oh, you know how to fight, you're stronger than the lies  
I know in every scar life leaves  
It's a brushstroke a masterpiece

Woah-oh-oh-oh-oh-oh  
Woah-oh-oh-oh-oh-oh  
Woah-oh-oh-oh-oh-oh  
Woah-oh-oh-oh-oh-oh  
Daddy's masterpiece

When the storm clouds seize  
And the tears won't leave  
Hear your daddy sing  
You're a masterpiece

I'm lookin' at a masterpiece  
Oh, you know how to fight, you're stronger than the lies  
I know in every scar life leaves  
It's a brushstroke on a masterpiece  
Woah-oh-oh-oh-oh-oh  
Woah-oh-oh-oh-oh-oh  
Woah-oh-oh-oh-oh-oh  
Woah-oh-oh-oh-oh-oh  
Daddy's masterpiece
