Everybody listen  
Make love, make music  
Let me hear it

Blow your whistle  
Let me hear it  
Come on now, hey!

Everybody laugh  
Don't cry  
Make music (make music)  
Let me hear it (let me hear it)  
Blow your whistle (blow your whistle)

Come on now (come on now)  
Hey! (Hey!)

Everybody dance  
Get music high  
Make music  
Let me hear it  
Blow your whistle
