

## Closer Now

Keane

Believe you might stumble and come closer

I like to wake alone  
To lie and turn to stone  
Comfort me, come to me  
I won't go on

I like to walk along  
To keep my head screwed on  
Well I'm the best, so well done me  
I won't go on

Believing, believing  
I believe  
You might stumble and come closer now

If I stay I'm alone  
If I go then it will mean  
Waiting on my own  
It's the pattern of my life  
When you care and you cannot feel  
And you know that it's for real  
You just leave me on my own  
To live the pattern of my life

Believe you might stumble and come closer  
Make time to be  
All this and more for me  
Well you're the best, so well done you  
I won't go on

Believing, believing  
I believe  
You might turn from your love, wait around

If I go then I'm alone  
If I stay then it will mean  
Waiting on my own  
It's the pattern of my life  
When you care and you cannot feel  
When you know that it's for real  
So you leave me on my own  
To live the pattern of my life

Believe  
You might turn from your love, wait around

If I stay then I'm alone  
If I go then it will mean  
Waiting on my own  
It's the pattern of my life  
When you care and you cannot feel  
And you know that it's for real  
You just leave me on my own  
To live the pattern of my life

If I stay then I'm alone

If I go then it will mean  
Waiting on my own  
It's the pattern of my life  
When you care and you cannot feel  
And you know that it's for real  
So you leave me on my own  
To live the pattern of my life

Woah  
Believe  
You might stumble and come closer now
