

## In Your Own Time

Keane

You've got nowhere to go  
Got no way out of this hole  
Got no one to say it's all just the way things are  
Wouldn't it be good  
To look into a brighter day  
It's just the way things are

In your own time  
There's no map to guide our way  
So I say nothing, you say nothing  
In your own way  
Thought I could help you find your place  
But I'm as lost as you are lost these days

Oh wouldn't it be fine  
To close your eyes and see something  
Something more than this

In your own time  
There's no map to guide our way  
So I say nothing, you say nothing  
In your own way  
Thought I could help you find your place  
But I'm as lost as you are lost  
It's not the way

Things are going to change, you know  
The battles you have fought won't go to waste, you know  
The things are gonna change,  
It just takes time

In your own time  
There's no map to guide our way  
So I say nothing, you say nothing  
In your own way  
Thought I could help you find your place  
But I'm as lost as you are lost  
It's just the way  
It's just the way  
It's just the way  
It's just the way
