

# She Has No Time

Keane

**Dmi** **G**  
You think your days are uneventful

**C** **F**  
And no one ever thinks about you

**Dmi** **(C) G**  
She goes her own way

**Dmi** **G**  
She goes her own way

You say your days are ordinary  
And no one ever thinks about you  
But we're all the same  
And she can hardly breathe without you

**C G Ami G F**  
She says she has no time

**Dmi G**  
For you now  
She says she has no time

Well think about the lonely people  
Or think about the day she found you  
Or lie to yourself  
And see it all dissolve around you

She says she has no time for you now  
She says she has no time for you now  
She says she has no time

**C G Ami G**  
Lonely people tumble downwards  
My heart opens to you

When she says she says she has no time for you now  
She says she has no time for you now  
She says she has no time
