Walnut Tree

Once there was a great storm, Pushed my head beneath the waves, I was gone.

Underneath the walnut tree, Where you said you'd wait for me, And I waited a long, long time

I waited a long, long time, I waited a long, long time, I waited a long, long time, I waited a long, long time.

Why, why do I come here? Seeking out the memories I hold in, 'Cause you put your spell on me, Made me live in memory, And im frozen in just the wrong time.

I waited a long, long time, I waited a long, long time, I waited a long, long time, I waited a long, long time. Keane
