

Good Lust

Keaton Henson

You and me, our bodies made of chemistry
Tell me what you want from me
And I will sit and wait for you to sleep
And eyes gleaming

And in the heat, clothed only in obscenity
Opened our reality
I'm not calm and meet with me
Too soon

Can I get lost in you?
Can I get lose in you?
It is love, but I fear it won't do

And in the weak hours when we're fighting asleep
Longing for each others teeth
Longing for the things we think we need
To make it through

Can I get lost in you?
Can I get lose in you?
It's human and it's tough
It is love but it won't be enough

What is good lust?
What is good lust?
But love without trust?
But love without trust?

What is good lust?
What is good lust?
But love without trust?
But love without trust?

What is good lust?
What is good lust?
But love without trust?
But love without trust?

It is love but it won't be enough
