Caught in a feeling
I'm a feeling
Let me
[? ? ?]

Gone away
[? ? ?]

Please I won't make [?]
Have anyone's like this

I walk
Feeling someone took my life away
Sitting on my corner

Please don't let me die like this
Please don't let me die like this
Please don't let me die like this
Please don't let me die like this
Please don't let me die like this
Please don't let me die like this
