

You

Keaton Henson

If you must wait
Wait for them here in my arms as I shake.
If you must weep,
do it right here in my bed as I sleep
If you must mourn, my love.
Mourn with the moon and the stars up above.
If you must mourn.
Don't do it alone.
If you must leave,
leave us no fireburns under your feet.
If you must speak,
speak every word as if though it were unique
If you must die sweetheart,
die knowing your life was my life's best part
If you must die,
remember your life.

You are
You are
All
You are
You are
All

If you must fight
fight with yourself and your thoughts in the night
If you must work
work to leave some part of you undeserved

If you must live, darling one
Just live
Just live
Just live
