

Best Revenge

Keaton Simons

Wild justice will never be me
Bitterness waits, while I let it be
When vengeance comes, there'll be no blame
The best revenge is win the game
The best revenge
The best revenge
The best revenge
VERSE 1The road is blocked at every corner
As my hard work turns to dust
Behind my back, concealed a liar
Anger fighting to erupt
PRE CHORUSSo I'm gonna bide my time
While I keep it inside
I'm gonna tow the line
Then I'll sit back and take what's mine
CHORUSWild justice, will never be me
Bitterness waits, while I let it be
When vengeance comes, they'll be no blame
The best revenge is win the game
The best revenge
VERSE 2Did we ever share a vision
Or were we watching different screens
A trusting fool, caught off guard
So save all of your apologies
PRE CHORUSNow I'm gonna bide my time
While I keep it inside
And I'm gonna tow the line
Then I'll sit back and take what's mine
CHORUSWild justice, will never be me
Bitterness waits, while I let it be
When vengeance comes, they'll be no blame
The best revenge is, when I win the game
The best revenge
