Where am I going, oh what am I gonna do?
I know I'm not crazy, I'm just hooked on you
So go on and use me endlessly
Could you let me know
When you need me hold me close
And baby don't let go
Are you ever coming home?
Are you ever gonna phone?
Another night alone...

Has anybody seen my girl?
Has anybody seen my woman?
California, Tennessee
Send my baby home to me
