

## For What It's Worth

Keb' Mo'

There's something happening here  
And what it is ain't exactly clear  
There's a man with a gun over there  
Telling me I've got to beware  
Think it's time we stop children, what's that sound  
Everybody look what's goin' down

There's battle lines being drawn  
And nobody's right, if everybody's wrong  
Young people speaking their minds  
A-getting so much resistance from behind  
And we stop, what's that sound  
Everybody look what's goin' down

What a field day for the heat  
A thousand people in the street  
Singin' songs and a-carryin' signs  
Mostly say "hooray for our side"  
It's time to stop, hey what's that sound  
Everybody look what's goin' down

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
Step outta line, the men come and take you away  
You betta stop, hey what's that sound  
Everybody look what's goin' now  
Stop, hey what's that sound  
Everybody look what's goin' now  
You betta stop, now, what's that sound  
Everybody look what's goin' now  
Stop, children ..... FADE
