Tell Everybody I Know

It's no secret, I don't care Gonna shout it out everywhere I love my baby Hot, cold, fast or slow I love my baby, Gonna tell everybody I know

In the evening, in my bed I hear voices in my head They say never, never ever Let her go Well I love my baby, Gonna tell everybody I know Yes I love my baby, Gonna tell everybody I know

Other women Don't mean a thing to me You can pick 'em all up Drop 'em all in the sea

If I got no money, she don't care She'll open up her pocketbook and pay my fare I know she loves me Up, down, high or low Well I love my baby, Gonna tell everybody I know Yes I love my baby, Gonna tell everybody I know

Hey y'all

Other women Don't mean a thing to me You can pick 'em all up Drop 'em all in the sea

'Cause if I got no money, you know she don't care She'll open up her pocketbook and pay my fare I know she loves me Up, down, high or low Well I love my baby, Gonna tell everybody I know Yes I love my baby, Gonna tell everybody I know

She's a sweet thing She's a fine thing She's a loving thing Gonna tell everybody I know Tell everybody I know
