

Arm and a Leg

Keel

He's ready to fight if the price is right He don't need no reas
on Into the ring and everyone sings This sport has no season

A fighter by trade, the choice is made Flesh and bone surrender
At the sound of the bell he's gonna give it hell A heavyweight
contender

When push comes to shove

Take an Arm And A Leg - Arm And A Leg That's a promise and a th
reat Take an Arm And A Leg - Arm And A Leg That's all you're go
nna get

He straps on the gloves when push comes to shove Wielding fists
of fury He's coming to town to take over the crown He wants al
l the glory - yeah

In one more round his opponent goes down Arms are raised in vic
tory The title is won - the damage is done His name lives on in
history

When push comes to shove He straps on the gloves And he's ready
to fight
