

So Many Good Ways To Be Bad

Keel

You say you're not that kind of girl
You don't wanna go all the way
But you can't stay home
in your bed alone
When the kid's are goin' out to play
- hey

Don't be so hard on yourself
'Cause good girls need love too
you don't have to hide
'cause I know deep inside

You wanna do what bad girls do

I can show you emotions
You didn't know you had
'cause there's

So Many Good Ways to Be Bad

You're walkin' the razor's edge
When you're closin' your bedroom
eyes
You feel desire
wanna play with fire
C'mon and give it a try

I can show you emotions
You didn't know you had
'cause there's

So Many Good Ways to Be Bad

And when you're tired of playin'
All those other games
oh baby I know
You're gonna wanna stay with me
You'll never be the same
