

## Tears Of Fire

Keel

Wounded angel  
She came to me  
Her broken heart  
In agony  
Seeking answers  
She cried to me in vain  
Hopelessness  
Filled my eyes with pain

Tears of fire  
From a heart so cold  
Tears of fire  
Feel my passion flow  
Tears of fire  
Burn into my soul  
I could never let you go

I couldn't help myself  
Forgive me if you can  
It really wasn't me  
I hope you understand  
Too many memories  
To throw it all away  
I'd never leave you anyway

Tears of fire  
From a heart so cold  
Tears of fire  
Feel my passion flow  
Tears of fire  
Burn into my soul  
I could never let you go
