

Autumn Leaves

Keely Smith

The falling leaves
drift by my window
Those autumn leaves
of red and gold
I see your lips
the summer kisses
The sun-burned hands
I used to hold

Since you went away
the days seem long
And soon I'll hear
old winter's song
But I miss you most of all
my darling
When autumn leaves
start to fall

The falling leaves
drift by my window
Those autumn leaves
of red and gold
I see your lips
the summer kisses
The sun-burned hands
I used to hold

And soon I'll hear
old winter's song
But I miss you most of all
my darling
When autumn leaves
start to fall

baba-dooby-boop doo-bo-rooy
scooby-dooby-doo
The falling leaves
drift by my window
Those mellow hummin' leaves
of red and gold
I see your lips
and the summer kisses
Oh, those sun-burned hands
I used to hold

Since you went away
the days seem long
And soon I'll hear
old winter's song
But I miss you most of all
my darling, wha! zoom!
When autumn leaves
start, to, fall!
