

Honey

Kehlani

I like my girls just like I like my honey, sweet
A little selfish
I like my women like I like my money, green
A little jealous
'Cause I'm a beautiful wreck
A colorful mess, but I'm funny
Oh, I'm a heartbreak vet
With a stone-cold neck, yeah, I'm charming

All the pretty girls in the world
But I'm in this space with you
Colored out the lines
I came to find, my fire was fate with you
Heartache would stay with you
Fly great escapes with you

I countdown to the clock, saw you awake
Don't walk away, or would you wait for me?
I go out to the bar, fuck hanging with the stars
Don't even have a car, but you would wait for me

All, all, all, all the pretty girls in the world
But I'm in this space with you
Colored out the lines, I came to find, my fire was fate with yo
u
My heartache would stay with you, escape with you

I like my girls just like I like my honey, sweet
A little selfish, huh
I like my women like I like my money, green
A little jealous
Oh, I'm a beautiful wreck
A colorful mess, but I'm funny
Oh, I'm a heartbreak vet
With a stone-cold neck, I'm so charming, oh, oh

La la la...

Is it love all we need? Is it love?...
The Beatles say prophecy is love
Do-re-mi-fa-so-la-ti, is it love?...
Love, do, do, do, do, do
