

# Substantial Damage

Keith Richards

Just dance, oh dammit baby  
You're breaking my heart

What's that thing attached to your ear  
I'm talking to you but you don't seem to hear  
I'm paying for dinner, and I might as well mop in here

Substantial damage, babe  
You're kidding me  
Substantial damage

What are we doing, together  
You got to prove, and I've got a favor

Substantial damage, baby

I know you go honey it's just your way your game  
"I have no idea"  
Good [?] Molly  
I don't know why I love you, I don't know what I'm doing  
I must be a masochist or something
