

# Gemini

Keith Urban

She's not quite a contradiction  
She's rolls with it  
Quick with a snap decision  
I'm fine with it  
Strong on her strong opinions  
I'm weak for it  
It's not just one thing, not just one thing  
I want all of it, huh

Mmm  
Emotionally, physically, diving right in  
Mmm  
Emotionally, physically, getting a hold of me  
Mmm  
Emotionally, spiritually, moving so close to me  
Mmm  
I wonder if she knows

She's a maniac in the bed  
But a braniac in her head  
And I know that everybody knows  
Ooh, that she's both  
Wears a lot of light dress  
But she's pretty even in a mess  
And I know that everybody knows  
Ooh, that she's both

All of my complications  
She's see through them  
I don't know if it's because of  
Or in spite of it  
But I don't doubt her intentions  
When she's staying in  
It's not just one thing  
Not just one thing  
I want all of it, huh

Mmm  
Emotionally, spiritually, moving so close to me  
Mmm  
I wonder if she knows

She's a maniac in the bed  
But a braniac in her head  
And I know that everybody knows  
Ooh, that she's both  
Wears a lot of light dress  
But she's pretty even in a mess

And I know that everybody knows  
Ooh, that she's both

She's in my soul, I want it more  
She's in my heart now, in my heart now

She's a maniac in the bed  
But a braniac in her head

And I know that everybody knows (everybody knows)  
Ooh, that she's both (everybody knows)  
Wears a lot of light dress (yes, she does)  
But she's pretty even in a mess (ooh, give it to me)  
And I know that everybody knows  
Ooh, that she's both

That she's both, ooh yeah  
She's spinning around the room  
When she's spinning around the room  
When she got the stars coming outta her eyes  
Got everybody staring, caught in the headlights  
A little bit left, a little bit right  
She waiting to make in the middle of the night  
Never a bad thing to say about you  
I'm a man brought back to life  
Cast her and pull her  
Upset her to save me  
I've been turned by a Gemini

Ooh  
She's in my heart now, in my heart now  
She's in my heart now, in my heart now  
Spinning around the room, ooh  
She's in my heart now, in my heart now  
She's in my heart now, in my heart now  
Ooh, yeah, hey, woo
