

# Got It Bad

Keith Urban

I hit the highway and I checked the time  
I see the sunrise and it makes me wanna change my mind  
Oh, I got it bad, I stopped for a coffee in a nowhere town  
A pretty waitress says, "Hey what's the frown, boy you got it bad"

Well, so many times you told me before  
If you don't like it, well, there's the door  
This time I've gone for good and I got it bad

I got it badder than a broken heart  
Badder then the devil's smile  
And I can't face bein' apart  
I guess I'll have to leave  
But meanwhile, ohh, I got it bad

Moonlight on the water still looks the same  
Pretty girl beside me but I don't know her name  
Guess I got it bad

I'm too weak to say no, too lonely to care  
I'll believe her if she says, hey baby  
I got to love to spare

Well, tomorrow I'll take it like a man  
Tonight I'm taking all I can  
This time I went for good and I got it bad

I got it badder than a broken heart  
Badder then the devil's smile  
And I can't face bein' apart  
I guess I'll have to leave  
But meanwhile, ohh, I got it bad

I got it badder than a broken heart  
Badder then the devil's smile  
And I can't face bein' apart  
I guess I'll have to leave  
But meanwhile, ohh, I got it bad

I got it badder than a broken heart  
Badder then the devil's smile  
And I can't face bein' apart  
I guess I'll have to leave  
But meanwhile, ohh, I got it bad
