

# Out the Cage

Keith Urban

Don't know just how long but I've  
Been trapped in here quite a while  
Wonder if I'll make it out, ahh, ahh  
I miss my friends, I miss the sky  
Feel like I just live to die  
But that can't be what life's about, ahh, ahh

I think they just lock me up to taunt me  
I won't ever let nobody own me, own me  
I don't let these thoughts of freedom haunt me

Whatcha gon' do when they learn the truth?  
(From every mountain side)

Every time I  
Feel like I just can't take it no more  
I get angry  
That's when I start runnin'  
In my mind's eye  
Lies the key that'll open the door  
You can't break me  
There's a new day comin'

That's what happens when you let a bunch of wild animals out the cage

Think our biggest problem is  
It all gets so monotonous  
Holding us all hostages, ahh, ahh  
Weighin' down on top of us  
Draining all our confidence  
But I won't stay anonymous

I think they just lock me up to taunt me  
I won't ever let nobody own me, own me  
I don't let these thoughts of freedom haunt me

Whatcha gon' do when they learn the truth?  
(From every mountain side)

Every time I  
Feel like I just can't take it no more  
I get angry  
That's when I start runnin'  
In my mind's eye  
Lies the key that'll open the door  
You can't break me  
There's a new day comin'

Let me out this cage, I've been here way too long, way too long  
Planning my escape, I see the break of dawn  
Whatcha gon' do when they learn the truth?

Every time I  
Feel like I just can't take it no more  
I get angry  
That's when I start runnin'  
In my mind's eye

Lies the key that'll open the door  
You can't break me  
There's a new day comin'

Every time I  
Feel like I just can't take it no more  
I get angry  
That's when I start runnin'  
In my mind's eye  
Lies the key that'll open the door  
You can't break me  
There's a new day comin'  
That's what happens when you let a bunch of wild animals out the cage
