Somewhere in My Car

Keith Urban

I'm driving home tonight, catching all red lights That's alright cause I don't want to be alone There's nobody waitin there, cold and empty bed Words I wished Id said come on the radio

Ooh, oh, oh, and I don't know why I do this to myself Ooh, oh, oh, I know you're with someone else

But in my mind were somewhere in my car
And it's raining hard on the streetlight glow
You got your lips on mine, it's gasoline on fire
I never will forget, you grabbed my shirt and pulled it over my head

And your fingertips slide up and down my back Breathin' hard, steamin' up the glass Id give anything if I could bring it back oh oh

So, I've been sleeping til noon in the same bedroom Where I once held you and it's breaking my heart I should take down all those pictures from my wall Promises we made won't fill this empty space

Ooh, oh, oh, and I don't know why I just can't let you go Ooh, oh, oh, I know you're never coming back

But in my mind were somewhere in my car
And it's raining hard on the streetlight glow
You got your lips on mine, it's gasoline on fire
I never will forget, you grabbed my shirt and pulled it over my
head

And your fingertips slide up and down my back Breathin' hard, steamin' up the glass Id give anything if I could bring it back oh oh

But in my mind were somewhere in my car
And it's raining hard on the streetlight glow
You got your lips on mine, it's gasoline on fire
I never will forget, you grabbed my shirt and pulled it over my
head

And your fingertips slide up and down my back Breathin' hard, steamin' up the glass Id give anything if I could bring it back oh oh
