Well, she was precious like a flower She grew wild, wild but innocent A perfect prayer in a desperate hour She was everything beautiful and different

Stupid boy, you can't fence that in Stupid boy, it's like holdin' back the wind

She laid her heart and soul right in your hands
And you stole her every dream and you crushed her plans
She never even knew she had a choice and that's what happens
When the only voice she hears is telling her she can't
Stupid boy, stupid boy

So what made you think you could take a life And just push it, push it around? I guess to build yourself up so high You had to take her and break her down

Well, she laid her heart and soul right in your hands And you stole her every dream and you crushed her plans She never even knew she had a choice and that's what happens When the only voice she hears is telling her she can't

You stupid boy, oh, you always had to be right But now you lost the only thing That ever made you feel alive Yeah, yeah

Well, she laid her heart and soul right in your hands, yeah And you stole her every dream and you crushed her plans, yes, you did She never even knew she had a choice and that's what happens When the only voice she hears is telling her she can't

You stupid boy
Oh, I'm the same old, same old stupid boy

It took a while for her to figure out She could run but when she did She was long gone, long gone

She's gone Long gone Yeah she is now Yeah, ohh

On and on ...

She loved me, she loved me, she loved me

God, please, doesn't matter no

I'm sorry, I'm sorry, I'm sorry baby

Yeah, I don't believe She's never coming back to me
