## It's All Coming Back To Me Now

**Keith Whitley** 

That innocent look in her green eyes Sparkle when she starts to laugh Memories of her start to fill up my mind Like pieces of torn photographs

Its all come'n back to me now I thought I'd forget her somehow But my mind can't forget what My heart won't allow It's all come'n back to me now

That desparate look in her green eyes When she said good bye in the rain It tears me to pieces I have to recall How I caused her all of that pain

And its all come'n back to me now I thought I'd forget her somehow But my mind can't forget what My heart won't allow It's all come'n back to me now
