

## Favorite

Keke Palmer

[Chorus:]

I don't know what it is that you've done to me,  
But it's making me feel like your favorite,  
So just say it! I'm your favorite?  
Son you'll know it, yeah!

When you got first time in my head,  
Big smile isn't getting out the bed, oh, oh,  
So today is gonna be a good day,  
Cause I'm seeing his face, yeah!  
Make it sure every hair is in place,  
Wear a gown cause he likes it this way, oh, oh, oh  
Smelling right... here we go and we're feeling real great!

Oh yeah!

And I get so weak, I can't hide it cause it shows!  
And I sing with the radio!

[Chorus: x2]

I don't know what it is that you done to me,  
But it's making me feel like a favorite,  
So just say it! I'm your favorite?  
So you know I am!

Even though I see him standing right there, oh, oh,  
Walk pass just to make him stare, oh, oh,  
Always... a little chase... gotta... my fight in the game, game  
.  
And never feels I always get my way,  
Any second you'll be following me,  
... a little crush, baby!

Oh yeah!

And I get so weak I can't hide it cause it shows!  
And I sing with the radio!

[Chorus: x2]

I don't know what it is that you done to me,  
But it's making me feel like a favorite,  
So just say it! I'm your favorite?  
So you know I am!
